* SEATING CAPACITY DOES NOT ALLOW FOR AISLES, DANCE FLOORS, SERVICE AREA, ETC.

FREESTANDING TENTS

Freestanding tents can be used indoors or outdoors and in confined places because they require fewer extended guy ropes. There are no bothersome center poles so every square foot of floor space can be used. Different configurations can be achieved and larger areas covered by joining two or more freestanding tents together with clear vinyl rain gutters.

SIZE	SEATING (long tables)	SEATING (round tables)
10' X 10'	16-20	16-20
15' X 15'	24-30	24-30
